METHOD 1: HOW TO MEASURE YOUR RING

CONFIRM THE PRINT FORMAT

,	,	,	,	1	
50 mm	40	30	20	10	0
(inch)	Bar B				
2 in					0

The sizes of the rings are very precise. Follow these instructions carefully to get the correct size 1. Before printing, make sure that Page Resize is set to "None" on your print screen. (To open the print screen press CTRL+P)

2. Measure the bar on the left (bar A or bar B). It must measure exactly 2 inches or 50 mm.

MEASURE YOUR RING

Steps:

1

13

- 1. choose a ring that fits you perfectly
- 2. place the ring on the circles below. Match the inner edge of the ring to the nearest circle in size. The size refers to the inside diameter of the ring.
- 3. if you are uncertain between two sizes, choose the larger one

The ring sizes shown below are Italian size
